

1. Open the Google Play Store and search for Microsoft Teams. Now download the app.
You may have to create a personal Google account if it does not let you download the app

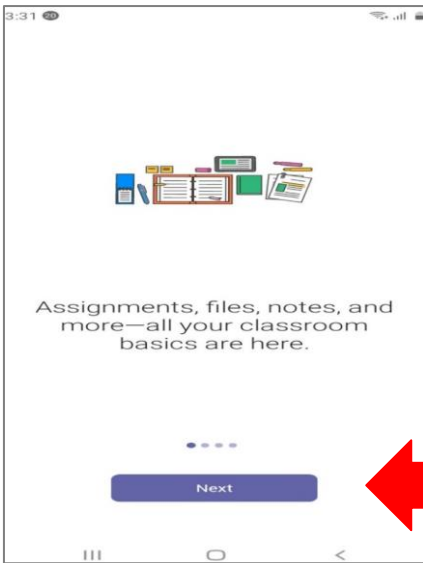

2. Once it has been downloaded, click on the Install button

3. Once the app has been installed, click Open

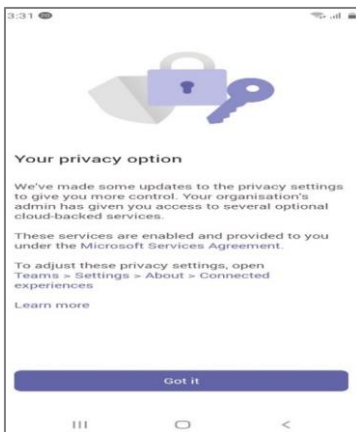

4. Sign in to Microsoft Teams with your UCOL student email address and then enter your UCOL password

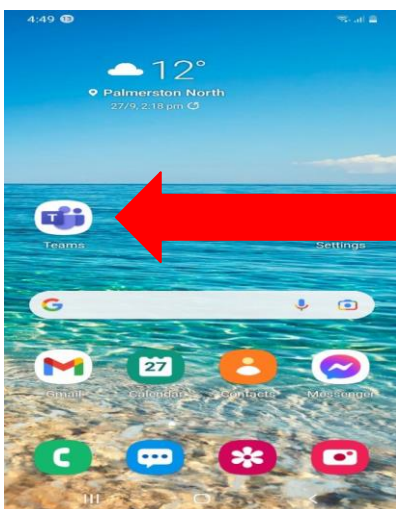

5. This screen will display while you are being signed in

6. When you see this screen, click Next on each slide that appears

7. On the final screen, click GOT IT

8. The app will now be installed and saved on your mobile device
